# **Unfield Trip**

The Scott Family Amazeum adds a twist to the traditional school visit: the Unfield Trip!

"The Unfield Trip was beneficial for our students because they explored, played, role-played, discovered, laughed, and learned. Their faces and their questions prove that while at the Amazeum, they really are learning and wondering about things!" - 3rd grade teacher

Go to **amazeum.org** for educational resources that empower teachers and inspire learning before, during, and after the visit.

Make your visit even sweeter by adding a private Hershey's Lab experience. Enhance the discovery process with Amazeum AIR (Amaze, Investigate, Relate). Ask about both programs when booking your Unfield Trip visit.

Now accepting reservations for September-December 2017 Unfield Trips. Reservations open in October 2017 for January-May 2018 Unfield Trips.

Scott Family Amazeum Unfield Trips are made possible by a grant from the Walmart Foundation.

# While You Are Here

Amazeum team members are here to enhance your museum experience by facilitating imaginative play and utilizing *Zinglits and Pop-Ups!* 

Be on the look-out for a team member using Zinglit props to spark curiosity and questioning that will ignite learning.

Pop-Ups are miniature demonstrations used to playfully engage guests in exploring scientific concepts.

Check the screen in the lobby for a schedule of the experiences happening while you are here!

### **Community Spotlights**

Community Spotlights shine a light on the diverse talent, cultures, and craft of our community. In turn, these featured tinkerers, artists, and scientists expand and amplify a variety of topics by sharing their expertise with guests.

### **STEAM Studio**

The Early Learner STEAM Studio embraces children's natural curiosity by developing their interest in science, technology, engineering, art, and math (STEAM). Everyday play experiences are brimming with exceptional educational opportunities and the learning becomes deeper and longer lasting when a caring adult plays too.
