

# Educational Programs

*September 2019 - August 2020*

# Amazing Opportunities

2

## ***Let's Get Together***

Our Unfield Trips and Group Visits inspire curiosity for everyone in your group.

4

## ***Hang Out With Us***

Hang Out With Us workshops provide an enhanced Amazeum experience for families, Scouts, 4-H members, and homeschoolers.

8

## ***Dive Deeper***

Dive Deeper learning opportunities are just that – deeper dives into learning using the Amazeum as a platform.

12

## ***While You Are Here***

Amazeum team members facilitate experiences with exhibits and special programs designed to enhance your family visit.

A woman with blonde hair and a child are smiling while building a geometric structure using wooden blocks. The woman is on the left, leaning over the child on the right. They are in a room with shelves in the background. The image has a purple overlay.

Discover  
hands-on  
learning  
for families,  
groups, and  
schools.

# Let's Get Together

***Let's Get Together*** programs are pre-arranged group outings for 20 or more guests. Our Unfield Trips and Group Visits inspire curiosity for everyone in your group.

## Group Visit

Group rates are available for community groups, clubs, churches, and other groups of 20 people or more coming to visit the Amazeum together. Make your reservation at least 2 weeks in advance with our Reservation Specialist for discounts and to coordinate your outing.

Call **479-696-9280 ext. 204**  
or email **[reservations@amazeum.org](mailto:reservations@amazeum.org)**  
to reserve your visit or ask for more information.

***Advanced registration required.***

## School Unfield Trips

The Scott Family Amazeum adds a twist to the traditional school visit: the Unfield Trip!

*“The Unfield Trip was beneficial for our students because they explored, played, role-played, discovered, laughed, and learned. Their faces and their questions prove that while at the Amazeum, they really are learning and wondering about things!”*  
*—3rd grade teacher*

Go to [amazeum.org](https://amazeum.org) for educational resources that empower teachers and inspire learning before, during, and after the visit.

Make your visit even sweeter by adding a private Hershey’s Lab experience. Enhance the discovery process with Amazeum AIR (Amaze, Investigate, Relate). Ask about these two programs when booking your Unfield Trip visit.

**Now accepting reservations for September - December 2019 Unfield Trips. Reservations open in October 2019 for January - May 2020 Unfield Trips.**

# Hang Out With Us

***Hang Out With Us*** workshops provide an enhanced Amazeum experience for families, Scouts, 4-H members, and homeschoolers. More detailed information is available on our website, **[amazeum.org](https://amazeum.org)**.

## Homeschool Days

Homeschool Days are the perfect addition to any homeschool curriculum! This is your chance to explore the Amazeum with other homeschool families, whether as a pre-reserved Unfield Trip or as a family visit. Check **[amazeum.org](https://amazeum.org)** for dates and themes of Homeschool Days.

## 4-H Programs

The Amazeum now offers workshops designed for the 4-H community! 4-H members now have an amazing opportunity to expand their horizons and learn new skills with the Amazeum by engaging in Science, Technology, Engineering, Arts, and Math (STEAM) related activities. Check out **[amazeum.org](https://amazeum.org)** for workshop details.

***Advanced registration and payment required.***

## Little Tinkers

Little Tinkers are family workshops that invite adults and children to be innovative thinkers and problem-solvers as they work together creating, building, and trying new things. Creativity flows as you and your early learner (ages 3 - 6 years) explore tools and tinker with materials. A new theme is explored each month. Little Tinkers workshops occur the 2<sup>nd</sup> Saturday of each month.

*Advanced registration and payment required.*

## Kids Night Out

Everyone deserves a fun night out once in a while, including the kids! Drop the kids off for a fun-filled evening of play and exploration.

Check [amazeum.org](https://amazeum.org) for dates, locations, and themes of Kids Night Out.

*Advanced registration and payment required.*

# Scouts

Cub and Girl Scouts have an amazing opportunity to expand their horizons and learn new skills in an interactive environment. Workshops, events, and self-guided visits will engage Scouts in Science, Technology, Engineering, Arts, and Math (STEAM) related activities designed specifically for Cub and Girl Scouts.

## Workshops

*See [amazeum.org](http://amazeum.org) for workshop dates/times*

**Daisy:** What Robots Do, How Robots Move

**Brownie:** Senses, Inventor

**Junior:** Detective, Product Designer

**Cadette:** Digital Movie Maker, Woodworker

**Lions:** Gizmos and Gadgets

**Tiger:** Good Knights, Curiosity, Intrigue, Magical Mysteries

**Wolf:** Germs Alive, Digging In The Past

**Bear:** Super Science, Make It Move

**Webelos/Arrow of Light:** Build It

## Event

Amazeum Fun Patch Night for Girl Scouts:

November 2, 2019, 6:00 - 8:30pm

*Advanced registration and payment required.*

## Self Guided

Daisy Girl Scouts and Tiger Cub Scouts can now explore the Amazeum using the Self-Guided Program to earn a petal or loop. Available online at [amazeum.org](http://amazeum.org).

A young girl is smiling and holding a blindfold over her eyes. The blindfold is a piece of light-colored material with the word 'ROBOT' written on it in black marker. She is wearing a dark t-shirt with a graphic of Jack and Sally from 'The Nightmare Before Christmas'. Over the t-shirt, she wears a light-colored scout-style vest. The vest has several patches: an American flag, a 'DIAMOND' patch, and a patch with the numbers '352'. She is also wearing dark pants and sneakers. The background is a solid orange color with several yellow and orange circles of various sizes scattered throughout.

Unleash  
your curiosity  
and explore  
new skills.

## Partners In Play

Join us for weekly drop-in playdates in Studio Grow (sponsored by Pampers) for early learners and their caregivers. Partners In Play explore STEAM (Science, Technology, Engineering, Arts, and Math) at various developmental levels. Whether your child is a Cuddler, Crawler, Toddler, or Explorer, there's a Partners In Play experience for you!

**Partners In Play programming is included in daily admission and membership. No registration is necessary to participate. For more information, visit our website at [amazeum.org/programs](https://amazeum.org/programs).**

### Cuddlers

Children 0 - 9 months old explore activities designed specifically for the earliest learners.

### Crawlers

Children 9 - 18 months old playfully discover and test new skills in activities aligned with their natural curiosity.

## **Toddlers**

Children 18 - 36 months old step up to new learning challenges by actively investigating and questioning.

Bring your Cuddler on Mondays, Crawler on Wednesdays, and Toddler on Thursdays for hands-on learning fun.

## **Explorers**

Children ages 0 - 6 years old and their families are invited to discover the wonders of Science, Technology, Engineering, Arts, and Math (STEAM). Children and caregivers learn through playful, active, child-led experiences. Explorers programming occurs Thursdays and Fridays.

# Dive Deeper

**Dive Deeper** learning opportunities are just that—deeper dives into learning using the Amazeum as a platform. These programs include workshops and camps for children and professionals. Watch [amazeum.org](https://amazeum.org) for details, registration and payment information.

## Mini Camps

Mini Camps are a shorter version of Amazeum week-long camps but with the same level of fun and adventures! Explore a new theme during each Mini Camp.

**November 25 - 26**

**January 3**

**January 6**

**January 20**

**February 17**

**June 29 - 30**

Ages: 6 - 14 years

Time: 9am - 3pm

***Advanced registration and payment required.***

## Homeschool Adventures

Join our new 4-week series, Homeschool Adventures! In this child drop-off program, each weekly experience explores concepts of STEAM (Science, Technology, Engineering, Arts, and Math) through creative, interactive explorations. During each series, we scaffold our adventures from week to week, adding a deep-dive, interactive component to your homeschool curriculum.

***Check [amazeum.org](https://amazeum.org) for dates and themes of Homeschool Adventures. Advanced registration and payment required.***

## Spring Break Camp

Spring break is a blast at the Amazeum! Join us for a week-long adventure filled with unconventional hands-on experiences.

**March 23-27, 2020**

Ages: 6 - 11 years

Time: 9am - 3pm

*Advanced registration and payment required.*

## Summer Camps

Amazeum Summer Camps specialize in curiosity! Our unique week-long summer camps are the perfect place to unleash your camper's curiosity to explore and make new discoveries. Summer 2020 features new camp themes as well as a twist on your favorite themes.

**June 8 - 12**

**June 15 - 19**

**June 22 - 26**

**July 6 - 10**

**July 13 - 17**

**July 20 - 24**

**July 27 - 31\***

Ages: 6 - 14 years

Time: 9am - 3pm

*Advanced registration and payment required.*

*Check [amazeum.org](http://amazeum.org) for additional details.*

*\*This camp is for children entering Kindergarten in 2020.*

Ignite  
the curious  
child in you.

## Professional Development Workshops

The Amazeum is proud to be an AR Department of Education-approved content provider for teacher professional development opportunities. From Educator Night Out events to STEAM workshops to Tinkering 101 and Skill Swap workshops to become a Maker Educator, the Amazeum is the place to hone and expand your teaching practice. Full listing of professional development opportunities and registration details are available at [amazeum.org](https://amazeum.org).

### Educator Night Out

October 17, 2019 & January 23, 2020

## Early Childhood Education Professional Development Workshops

We believe educators need to play too so the Amazeum provides workshops for professionals that provide early childhood education. Through hands-on experiences, early childhood education professionals will be inspired to implement child-driven, play-focused learning opportunities that allow children to become effective learners. Full listing of professional development opportunities available at [amazeum.org](https://amazeum.org).

*Advanced registration and payment required.*

# While You Are Here

Amazeum team members are here to *enhance your museum experience by facilitating imaginative play!*

Be on the look-out for a team member using *Zinglit props* to spark curiosity and questioning that will ignite learning.

*Pop-Ups* are miniature, ever-changing activities used to playfully engage guests in exploring scientific concepts.

Check the screen in the lobby for a schedule of the experiences happening while you are here!

## Studio Grow

Studio Grow is designed especially for early learners ages six years old and younger and their families. Experiences in Studio Grow embrace children's natural curiosity and develop an interest in Science, Technology, Engineering, Arts, and Math (STEAM). Everyday play experiences and early learner programs in Studio Grow encourage children and their adult caregivers to play, learn, and grow together. Studio Grow is open during regular operating hours.

***\*No advanced registration required. Included in membership or paid daily admission***

## Community Spotlights

Community Spotlights shine a light on the diverse talents, cultures, and craft in our community. In turn, these featured tinkerers, artists, and scientists expand and amplify a variety of topics by sharing their expertise with guests.

We're  
your hub for  
fun, creativity,  
and discovery.

## Public Programs

The Amazeum frequently offers Public Programs throughout the year to add an extra special zing to your Amazeum experience! Come join the fun of Zing in the New Year, Nickelodeon Worldwide Day of Play, Engineering Week, and so much more.

Check our calendar of events at [amazeum.org](https://amazeum.org) for upcoming Community Spotlights and Public Programs each month.

## Sensory-Friendly Day & Resources

The Amazeum welcomes and celebrates each individual as an essential part of our community. The Amazeum now offers sensory-friendly resources for people with special needs. A social narrative, visual schedule, and more are available at [amazeum.org](https://amazeum.org). Noise-canceling headphones, fidgets, and other resources are available for checkout through Guest Services. Join us for Sensory Friendly Days, featuring sensory-friendly activities, play experiences for all abilities, and opportunities for guests to connect to one-another in an understanding environment. Small-scale groups of special education students will be able to reserve Unfield Trips and families with or without members with special needs are invit

**October 9, 2019**

**February 24, 2020**

Check [amazeum.org](https://amazeum.org) for dates and details

Make every  
day amazing  
through  
playful  
exploration.
