

4-H STEAM Night Frequently Asked Questions

Q: What is 4-H STEAM Night?

A: All levels of 4-H are taking over the museum for an exclusive, afterhours STEAM event! 4-H members will be challenged to visit a certain number of stations in order to earn their unique Amazeum Pin. Come play in the exhibit hall while completing hands-on STEAM challenges.

Q: Will face coverings be required for 4-H STEAM Night?

A: Yes! Face coverings are required for all members and guests ages 10 and older inside and outside the building, and encouraged for children between the ages of 2 and 9. Face coverings are not required for children under 2. Amazeum team is required to wear masks.

Q: Will there be any health screenings i.e. temperature checks, pre-entrance questionnaires, etc.?

A: The Amazeum will not be checking the temperature of members and guests entering the museum. When reserving tickets through the Amazeum's reservation specialist, all guests will be asked to confirm that no one in their group is experiencing COVID-19 symptoms – fever, cough, difficulty breathing, sore throat or loss of taste or smell or have knowingly been exposed to someone with COVID-19 in the past 14 days.

Guests will be prompted again upon arrival to the Amazeum and anyone experiencing symptoms will be asked to return on another day. Guests will be asked to provide contact information for at least one person in their group. This information will be used to follow-up with guests should the need arise for contract tracing.

Q: What if I don't have a face covering or mask?

A: Guests without face coverings who wish to enter the Amazeum can purchase a mask in the museum's store, Curiosity Corner, during regular hours, or a disposable mask will be provided at no cost. Entry to the museum is prohibited without a face covering.

Q: Will capacity be limited?

A: Yes. 4-H STEAM Night will have a limited capacity to allow space for guests and Amazeum team to physically distance and play 6 feet apart.

Q: What other safety requirements are in place during 4-H STEAM Night?

A: Activity stations will be available during the 4-H STEAM Night. 4-H members will be given a kit at each station to explore during their visit which will include all the supplies needed to complete their discoveries – no sharing required! Once the exploration is over, return the kit to an Amazeum educator. We will clean and sanitize each kit.

Hand sanitizer stations are placed throughout the museum for easy access. Sanitizing wipes are available in the PlayScape. Frequent handwashing is encouraged of all guests and the Amazeum team.
