

In order to save time while at the Amazeum, please use the sheet provided to divide your students into smaller adult groups before your visit. Color-coded nametags, t-shirts, bandanas, and other labeling systems can help in this process, allowing a better flow of communication between adults, students and Amazeum team members.

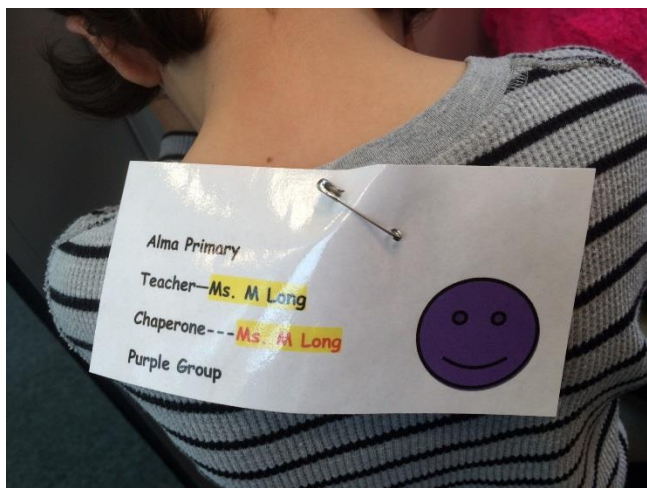

The Amazeum requires a ratio of **1 adult per 10 children** for **1st grade** and **older** visits. Adults are required to be 18 years and older. Adults can be parents or school staff members such as teachers.

Grouping Ideas from teachers:

Colored Bandanas

Laminated Labels with Adult & Teacher Names

Colored Tape

Other Grouping Ideas

- ✓ School t-shirts by classes
- ✓ Large name tags
- ✓ Lanyards with names
- ✓ Name tags with stickers
