

Educational Programs

September 2020 - August 2021

Amazing Opportunities

4 *Let's Get Together*

Our Unfield Trips and Group Visits will inspire curiosity for everyone in your group.

6 *Hang Out With Us*

Hang Out With Us workshops provide an enhanced Amazeum experience for families, Scouts, 4-H members, and homeschoolers.

8 *Dive Deeper*

Dive Deeper learning opportunities are just that – deeper dives into learning using the Amazeum as a platform.

12 *While You Are Here*

Amazeum team members facilitate experiences with exhibits and special programs designed to enhance your family visit.

A man and a young girl are shown from the chest up, both wearing face masks. The man, on the left, is wearing a light-colored t-shirt and a dark baseball cap. The girl, on the right, is wearing a dark tank top and denim overalls. They are both looking down at a smartphone held by the girl. The background is a blurred indoor space with shelves and other people, suggesting a museum or gallery. The entire image has a blue tint.

Discover hands-on
learning for families,
groups and schools.

Let's Get Together

Let's Get Together programs are pre-arranged group outings for 20 or more guests. Our Unfield Trips and Group Visits inspire curiosity for everyone in your group.

Group Visits

Group rates are available for community groups, clubs, churches, and other groups of 20 people or more coming to visit the Amazeum together. Make your reservation at least 2 weeks in advance with our Reservation Specialist for discounts and to coordinate your outing.

Call **479-696-9280 ext 204** or email **reservations@amazeum.org** to reserve your visit or ask for more information.
Advanced registration required.

School Unfield Trips

The Scott Family Amazeum adds a twist to the traditional school visit: the Unfield Trip!

The Amazeum will continue to host Unfield Trip experiences on-site at a limited capacity. New safety requirements are in place to provide a safe and healthy learning experience in the museum.

New Virtual Unfield Trip options are available this year: Discover, Connect, and Explore!

Discover

New activities and resources for PreK - 8th grade featuring Amazeum exhibits, literature connections, and correlations to AR NGSS are available for free download.

Connect

Level up the Discover learning experience by connecting with an Amazeum team member through a video call after you and your students engage with the Discover virtual resources.

Explore

Explore Amazeum-style, hands-on learning in your own classroom through one of three activity kits related to an Amazeum exhibit area. Explore also includes a video call with Amazeum team and digital resources.

Go to amazeum.org for pricing, additional details, and educational resources that empower teachers and inspire learning before, during, and after the visit.

To reserve your on-site Unfield Trip or Virtual Unfield Trip, contact our Reservation Specialist at **479-696-9280 ext 204** or email reservations@amazeum.org. **Advanced registration required.**

Now accepting reservations for September - December 2020 Unfield Trips. Reservations open in October 2020 for January - May 2021 Unfield Trips.

“The Unfield Trip was beneficial for our students because they explored, played, role-played, discovered, laughed, and learned. Their faces and their questions prove that while at the Amazeum, they really are learning and wondering about things!”
— 3rd grade teacher

Hang Out With Us

Hang Out With Us workshops provide an enhanced Amazeum experience for families, Scouts, 4-H members, and homeschoolers. In response to COVID-19, we are taking extensive new safety measures to keep our community safe and healthy. More detailed information is available on our website, amazeum.org.

Partners In Play

Join us for weekly drop-in playdates in Studio Grow (sponsored by Pampers) for early learners and their caregivers. Partners in Play explore STEAM (science, technology, engineering, arts, and math) at various developmental levels for ages 0-6. Partners in Play is a play experience that allows for young children and their adult play partner to engage their natural curiosity, build on skills they already have, and take on new challenges.

Partners in Play programming is included in daily admission and membership. No registration is necessary to participate.

For more information, visit our website at amazeum.org/programs.

Little Tinkers

Little Tinkers are family workshops that invite adults and children to be innovative thinkers and problem-solvers as they work together creating, building, and

trying new things. Creativity flows as you and your early learner (ages 3-6) explore tools and tinker with materials. A new theme is explored each month. Little Tinkers workshops occur 2nd Saturday of each month. **Advanced registration and payment required.**

Scouts

Cub and Girl Scouts have an amazing opportunity to expand their horizons and learn new skills in an interactive

environment. Workshops, events, and self-guided visits will engage Scouts in science, technology, engineering, art, and math (STEAM) related activities designed specifically for Cub and Girl Scouts. New safety requirements are in place to provide a safe and healthy learning experience.

Workshops

Virtual and on-site workshops are available for Girl Scouts at Daisy through Ambassador level and Cub Scouts at Lions through Webelos level. See amazeum.org for workshop details. *Advanced registration and payment required.*

Events

Amazeum Fun Patch Night for Girl Scouts and Cub Scout STEAM Night: Spring 2021. *Advanced registration and payment required.*

Self Guided

Daisy Girl Scout and Tiger Cub Scouts can now explore the Amazeum using the Self-Guided Program to earn a petal or loop. Available online at amazeum.org.

Homeschool Days

Homeschool Days are the perfect addition to any homeschool curriculum! This is your chance to explore the Amazeum with other homeschool families, whether as a pre-reserved Unfield Trip or as a family visit. Check amazeum.org for dates and themes of Homeschool Days.

4-H Programs

The Amazeum now offers a STEAM Night designed for the 4-H community! 4-H members now have an amazing opportunity to expand their horizons and learn new skills with the Amazeum by engaging in science, technology,

engineering, arts, and math (STEAM) related activities. Check amazeum.org for workshop details. *Advanced registration and payment required.*

Community Programs

Look for Amazeum experiences through your local public library! The Amazeum is spreading out into the community to give families the opportunity to unleash their curiosity and make new discoveries.

Dive Deeper

Dive Deeper learning opportunities are just that – deeper dives into learning using the Amazeum as a platform. These programs include workshops and camps for children and professionals. In response to COVID-19, we are taking extensive new safety measures to keep our community safe and healthy. Watch amazeum.org for details, registration and payment information.

Mini Camps

Mini Camps are a shorter version of Amazeum week-long camps but with the same level of fun and adventures! Mini Camps are designed to engage curious, active kids to investigate, question, and create during their school breaks! Explore a new theme during each Mini Camp.

Available Spring 2021.

Ages: 6 - 12 years

Time: 9am - 4pm

Advanced registration and payment required.

Spring Break Camp

Spring break is a blast at the Amazeum! Join us for a week-long adventure filled with unconventional hands-on experiences.

March 22-26, 2021

Ages: 6 - 11 years

Time: 9am - 3pm

Advanced registration and payment required.

Summer Camps

Amazeum Summer Camps specialize in curiosity! Our unique week-long summer camps are the perfect place to unleash your camper's curiosity to explore and

A person wearing a white lab coat and a surgical cap is working in a laboratory. They are focused on a task, possibly using a pipette or similar equipment. The image is overlaid with a solid blue color, which serves as a background for the white text. The text is centered and reads: "Make every day amazing through playful exploration."

Make every day
amazing through
playful exploration.

make new discoveries. Summer 2021 features new camp themes as well as a twist on your favorite themes.

June 7 - 11	July 12 - 16
June 14 - 18	July 19 - 23
June 21 - 25	July 26 - 30
June 28 - July 1	July 26 - 30*
July 5 - 9	

Ages: vary by camp, ranging from 6 - 14 years
Time: 9am - 3pm

*Advanced registration and payment required. Check amazeum.org for additional details. *This camp is for children entering Kindergarten in the fall of 2021.*

Homeschool Adventures

Join our new 4-week series, Homeschool Adventures! In this virtual or in-person program, each weekly experience explores concepts of STEAM (Science, Technology, Engineering, Arts, and Math)

through creative, interactive explorations. During each series, we scaffold our adventures from week to week, adding a deep-dive, interactive component to your homeschool curriculum.

Check amazeum.org for dates and themes of Homeschool Adventures. Advanced registration and payment required.

Wonder Workshops

Enhance your at-home learning with a Wonder Workshop at the Amazeum! Wonder Workshops are a 4-week series designed to provide playful and safe learning experiences for at home learners ages 6 - 11. In this child drop-off program, each weekly experience explores concepts of STEAM (Science, Technology, Engineering, Art and Math) through creative, hands-on explorations. Join us for what is bound to be a WONDER-FULL time!

Check amazeum.org for dates and themes of Wonder Workshops. Advanced registration and payment required.

Professional Development Workshops

The Amazeum is proud to be an AR Department of Education-approved content provider for teacher professional development opportunities. From Educator Night Out events to Maker meetups to Developing a Maker Pedagogy and Skill Swap workshops to become a Maker Educator, the Amazeum is the place to hone and expand your teaching practice. Full listing of professional development opportunities and registration details are available at amazeum.org.

Educator Night Out
October 29, 2020 & January 28, 2021

Early Childhood Education Professional Development Workshops

We believe educators need to play too, so the Amazeum provides workshops for professionals in early childhood education. Through hands-on experiences, early childhood education professionals will be inspired to implement child-driven, play-focused learning opportunities that allow children to become effective learners. Full listing of professional development opportunities available at amazeum.org.

Advanced registration and payment required.

Unleash
your curiosity
and explore
new skills.

While You Are Here

Amazeum team members are here to *enhance your museum experience by facilitating imaginative play!*

Be on the look-out for a team member using *Zinglit props* to spark curiosity and questioning that will ignite learning.

Pop-Ups are miniature, ever-changing activities used to playfully engage guests in exploring scientific concepts.

Check the screen in the lobby for a schedule of the experiences happening while you are here!

Community Spotlights

Community Spotlights shine a light on the diverse talents, cultures, and craft in our community. In turn, these featured tinkerers, artists, and scientists expand and amplify a variety of topics by sharing their expertise with guests.

Public Programs

The Amazeum frequently offers Public Programs throughout the year to add an extra special zing to your Amazeum experience! Come join the fun of Zing in the New Year, Engineering Week, and so much more. Check our calendar of events at amazeum.org for upcoming Community

Spotlights and Public Programs each month.

Sensory-Friendly Day & Resources

The Amazeum welcomes and celebrates each individual as an essential part of our community.

The Amazeum now offers *sensory-friendly resources* for people with special needs. A social narrative, visual schedule, and more are available at amazeum.org. Noise-canceling headphones, fidgets, and other resources are available for checkout through Guest Services. Join us for *Sensory Friendly Days*, featuring sensory-

friendly activities, play experiences for all abilities, and opportunities for guests to connect to one-another in an understanding environment. Small-scale groups of special education students will be able to reserve Unfield Trips and families with or without members with special needs are invited to join in the fun!

October 7, 2020

February 24, 2021

Check amazeum.org for dates and details.

Studio Grow is designed especially for early learners ages six years old and younger and their families. Experiences in Studio Grow embrace children's natural curiosity and develop an interest in Science, Technology, Engineering, Arts, and Math (STEAM). Everyday play experiences and early learner programs in

We're your hub for fun, creativity & discovery.

Studio Grow encourage children and their adult caregivers to play, learn, and grow together.

Studio Grow is open during regular operating hours.

****No advanced registration required.
