

Educational Programs

September 2021 - August 2022

Scott Family
AMAZEUM

Amazing Opportunities

2 **Let's Get Together**

Our Unfield Trips and Group Visits will inspire curiosity for everyone in your group.

4 **Hang Out With Us**

Hang Out With Us workshops provide an enhanced Amazeum experience for families, Scouts, 4-H members, and homeschoolers.

10 **Dive Deeper**

Dive Deeper learning opportunities are just that - deeper dives into learning using the Amazeum as a platform.

14 **While You Are Here**

Amazeum team members facilitate experiences with exhibits and special programs designed to enhance your family visit.

Discover hands-on learning for families, groups and schools.

Let's Get Together

Let's Get Together programs are pre-arranged group outings for 20 or more guests. Our Unfield Trips and Group Visits inspire curiosity for everyone in your group.

Group Visits

Group rates are available for community groups, clubs, churches, and other groups of 20 people or more coming to visit the Amazeum together. Make your reservation at least 2 weeks in advance with our Operations Assistant for discounts and to coordinate your outing.

Call **479-696-9280 option 5**
or email reservations@amazeum.org
to reserve your visit or ask for more information.

Advanced registration required.

School Unfield Trips

The Scott Family Amazeum adds a twist to the traditional school visit: the Unfield Trip!

The Amazeum will continue to host Unfield Trip experiences on-site at a limited capacity and with new safety requirements.

"The greatest impact of the hands-on Unfield Trip was an opportunity to explore together in a risk free environment. My students grew in their science understanding, vocabulary, and confidence to wonder and explore"

— Elementary school teacher

Virtual Unfield Trips: Discover, Connect, & Explore!

Discover: Free resources for PreK-8th grade featuring Amazeum exhibits, literature connections, and correlations to AR NGSS are available for free download.

Connect: Level up the Discover learning experience by connecting with an Amazeum team member through video call to engage with one of two hands-on activities.

Explore: Amazeum-style, hands-on learning in your own classroom utilizing kits and a video call with an Amazeum team member.

For more information, visit amazeum.org.

For reservations, call **479-696-9280 option 5**
or email reservations@amazeum.org.

Advanced registration required.

Hang Out With Us

Hang Out With Us workshops provide an enhanced Amazeum experience for families, Scouts, 4-H members, and homeschoolers.

In response to COVID-19, we are taking additional safety measures by following current CDC guidelines to provide a healthy learning environment.

4-H Programs

The Amazeum now offers a STEAM Night designed for the 4-H community! 4-H members now have an amazing opportunity to expand their horizons and learn new skills with the Amazeum by engaging in science, technology, engineering, arts, and math (STEAM) related activities.

Advanced registration and payment required.

4-H Zingo

You've heard of bingo, but ZINGO has an Amazeum Twist! A Zingo card is filled with fun, community-based challenges for you to complete with your club virtually, in the community and at the Amazeum. You'll earn a special Amazeum pin once you complete a Zingo!

Advanced registration and payment required.

Little Tinkers

Little Tinkers are family workshops that invite adults and children to be innovative thinkers and problem-solvers as they work together creating, building, and trying new things. Creativity flows as you and your early learner (ages 3 - 6) explore tools and tinker with materials. A new theme is explored each month. Little Tinkers workshops occur on the 2nd Saturday of each month.

Advanced registration and payment required.

Partners In Play

Join us for weekly drop-in playdates in Studio Grow (sponsored by Pampers) for early learners and their caregivers. Partners in Play explore STEAM (science, technology, engineering, arts, and math) at various developmental levels for ages 0-6. Partners in Play is a play experience that allows for young children and their adult play partner to engage their natural curiosity, build on skills they already have, and take on new challenges.

For more information and registration, visit amazeum.org.

Scouts

Cub and Girl Scouts have an amazing opportunity to expand their horizons and learn new skills in an interactive environment. Workshops, events, and self-guided visits will engage Scouts in science, technology, engineering, art, and math (STEAM) related activities designed specifically for Cub and Girl Scouts. New safety requirements are in place to provide a safe and healthy learning experience.

Workshops

On-site workshops are available for Girl Scouts at Daisy through Ambassador level and Cub Scouts at Lions through Webelos level. See amazeum.org for workshop details.

Advanced registration and payment required.

Event

Amazeum Fun Patch Night for Girl Scouts and Cub Scouts STEAM Night: Spring 2022

Advanced registration and payment required.

Self Guided

Daisy Girl Scouts and Tiger Cub Scouts can now explore the Amazeum using the Self-Guided Program to earn a petal or loop. Available online at amazeum.org.

A young girl is smiling and adjusting a blindfold that has the word "ROBOT" written on it. She is wearing a Girl Scout vest with several patches, including one with the number "352". The background is a solid orange color with a pattern of white and yellow circles of various sizes.

Unleash
your curiosity
and explore
new skills.

Scouts Cont.

Zingo

A Zingo card is filled with fun, community-based challenges for you to complete with your troop/pack virtually, in the community and at the Amazeum. You'll earn a special Amazeum patch or whistle once you complete a Zingo! Available online at amazeum.org.

Advanced registration and payment required.

Choose Your Own Badge or Adventure

Girl Scout and Cub Scout leaders can now schedule private Badge or Adventure workshops for their entire troop or pack! Check out amazeum.org for a menu of STEAM based workshops and reservation details.

Make It Yourself: Pre-Teen Series

The Maker movement empowers the next generation of inventors...YOU! Make It Yourself: Pre-Teen Series gives pre-teens and teens the tools to learn new skills, explore their creative ideas and discover new passions. Pre-teens will engage in a variety of hands-on projects that explore both traditional and high-tech tools, materials and technologies. You will progressively develop new skills each week as you Make It Yourself!

Advanced registration and payment required.

Community Programs

Look for Amazeum experiences through your local public library! The Amazeum is spreading out into the community to give families the opportunity to unleash their curiosity and make new discoveries.

Homeschool Days

Homeschool Days are the perfect addition to any homeschool curriculum! In-person Homeschool Days are your chance to explore the Amazeum with other homeschool families, whether as a pre-reserved Unfield Trip or as a family visit. Virtual Homeschool Days are a fun way to connect with the Amazeum and other homeschool families from the comfort of your home.

Public Librarian Professional Development Workshops

Join a *Storybook STEAM* workshop to discover simple yet powerful ways to infuse STEAM (Science, Technology, Engineering, Art and Mathematics) into your programs. You will explore storybook inspired STEAM activities first hand while building your confidence and capacity to provide engaging, hands-on STEAM explorations for your patrons. Participants will receive activity guides, resources and facilitation strategies that will take your storytimes to a new level.

Advanced registration and payment required.

For more information and registration, visit amazeum.org.

Dive Deeper

Dive Deeper learning opportunities are just that — deeper dives into learning using the Amazeum as a platform. These programs include workshops and camps for children and professionals.

In response to COVID-19, we are taking additional safety measures by following current CDC guidelines to provide a healthy learning environment.

Mini Camps

Mini Camps are a shorter version of Amazeum week-long camps but with the same level of fun and adventure!

Mini Camps are designed to engage curious, active kids to investigate, question, and create during their school breaks! Explore a new theme during each Mini Camp.

November 22 & 23, 2021

January 17, 2022

February 21, 2022

Ages: 6 - 11 years

Time: 9am - 4pm

Advanced registration and payment required.

Homeschool Adventures

Join our new 4 week series, Homeschool Adventures!

In this child drop-off program, each weekly experience explores concepts of STEAM (Science, Technology, Engineering, Art and Math) through creative, interactive explorations. During each series, we scaffold our adventures from week to week, adding a deep-dive, interactive component to your homeschool curriculum.

Advanced registration and payment required.

Spring Break Camp

Spring break is a blast at the Amazeum! Join us for a week-long adventure filled with unconventional hands-on experiences.

March 21 - 25, 2022

Ages: 6 - 11 years

Time: 9am - 3pm

Advanced registration and payment required.

Summer Camps

Amazeum Summer Camps specialize in curiosity! Our unique week-long summer camps are the perfect place to unleash your camper's curiosity to explore and make new discoveries. Summer 2022 features new camp themes as well as a twist on your favorite themes.

Available at Amazeum and locations throughout NWA.

June 6 - 10

June 13 - 17

June 20 - 24

June 27 - July 1

July 4 - 8

July 11 - 15

July 18 - 22

July 25 - 29

July 25 - 29*

Ages: 6 - 11 years

Time: 9am - 3pm

Advanced registration and payment required.

**This camp is for children entering Kindergarten in the Fall of 2022.*

Visit amazeum.org for registration, payment, and more information.

Ignite
the curious
child in you.

Professional Development Workshops

The Amazeum is proud to be an AR Department of Education approved content provider for teacher professional development opportunities. Join the Amazeum Educator Night Out twice a year, monthly Maker Meetups, and hands-on pedagogy workshops throughout the year. Ask about private workshops and the Making Spaces program. The Amazeum is the place to hone and expand your teaching practice! Full listing of professional development opportunities and registration details are available at [amazeum.org](https://www.amazeum.org).

Educator Night Out

October 21, 2021 & January 27, 2022

Early Childhood Education Professional Development Workshops

We believe educators need to play too, so the Amazeum provides workshops for professionals in early childhood education. Through hands-on experiences, early childhood education professionals will be inspired to implement child-driven, play-focused learning opportunities that allow children to become effective learners. Full listing of professional development opportunities available at [amazeum.org](https://www.amazeum.org).

*Advanced registration and
payment required.*

While You Are Here

Amazeum team members are here to *enhance your museum experience by facilitating imaginative play!*

Be on the look-out for a team member using *Zinglit props* to spark curiosity and questioning that will ignite learning.

Pop-Ups are miniature, ever-changing activities used to playfully engage guests in exploring scientific concepts.

Check the screen in the lobby for a schedule of the experiences happening while you are here!

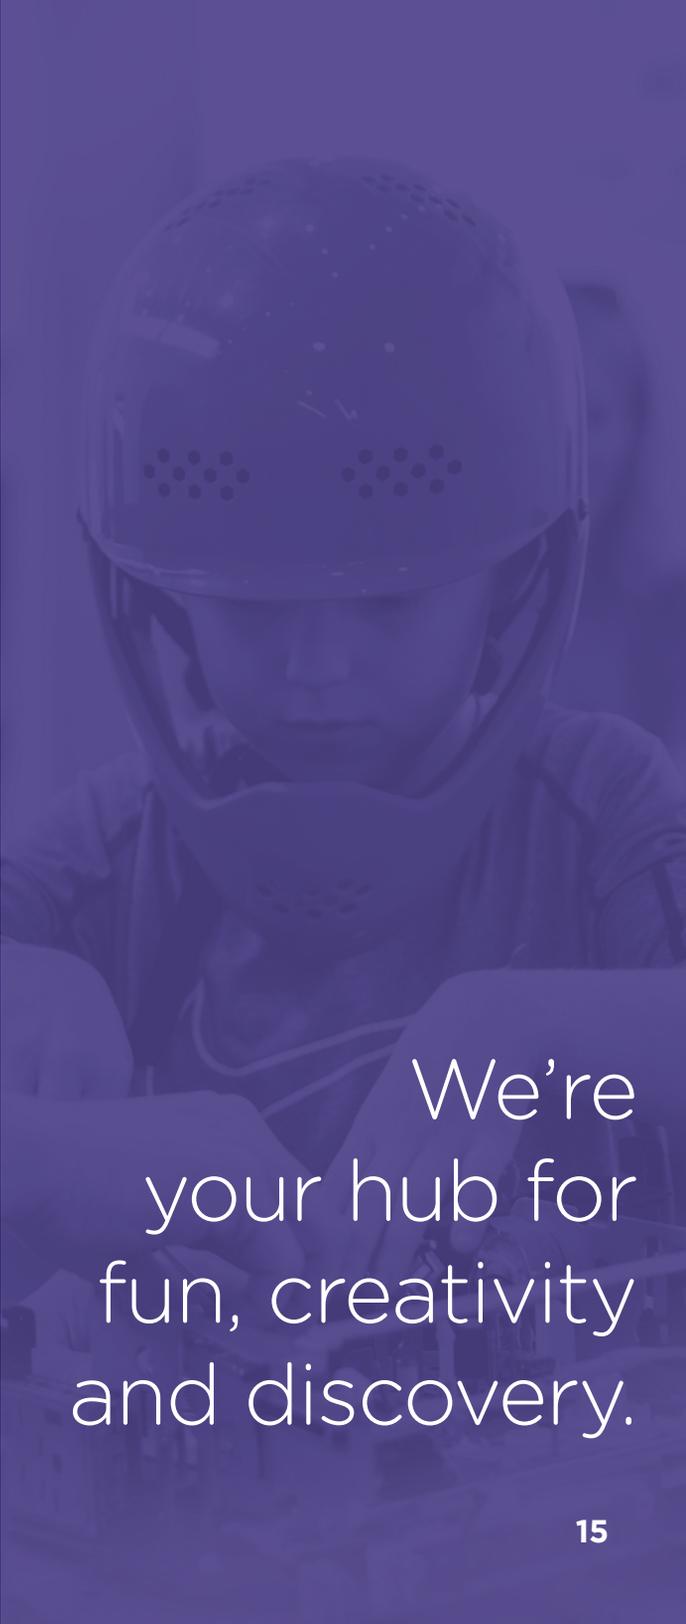

Studio Grow

Studio Grow is designed especially for early learners ages six years old and younger and their families. Experiences in Studio Grow embrace children's natural curiosity and develop an interest in Science, Technology, Engineering, Art and Math (STEAM). Everyday play experiences and early learner programs in Studio Grow encourage children and their adult caregivers to play, learn, and grow together. Studio Grow is open during regular operating hours.

**No advanced registration required. Included in membership or paid daily admission.*

Community Spotlights

Community Spotlights shine a light on the diverse talents, cultures, and crafts in our community. In turn, these featured tinkerers, artists, and scientists expand and amplify a variety of topics by sharing their expertise with guests.

A child wearing a VR headset, looking down at a tablet or screen. The image is overlaid with a semi-transparent purple filter.

We're
your hub for
fun, creativity
and discovery.

Public Programs

The Amazeum frequently offers Public Programs throughout the year to add an extra special zing to your Amazeum experience! Come join the fun of Zing in the New Year, Engineering Week, and so much more.

Check our calendar of events at amazeum.org for upcoming Community Spotlights and Public Programs each month.

Sensory-Friendly Days & Resources

The Amazeum welcomes and celebrates each individual as an essential part of our community.

The Amazeum now offers **sensory friendly resources** for people with special needs. A social narrative, visual schedule, and more are available at amazeum.org. Noise canceling headphones, fidgets, and other resources are available for check out through Guest Services.

Join us for **Sensory Friendly Days** featuring sensory friendly activities, play experiences for all abilities, and opportunities for guests to connect to one another in an understanding environment. Small-scale groups of special education students will be able to reserve Unfield Trips and families with or without members with special needs are invited to join in the fun!

October 6, 2021

March 9, 2022

Check amazeum.org for dates and details.

A young child with dark hair is smiling broadly while sitting at a table. They are playing with a large cardboard box, with their hands resting on the top edge. The background is slightly blurred, showing what appears to be a museum or educational setting with shelves and other boxes.

Make every
day amazing
through playful
exploration.
