Discover  
hands-on  
learning  
for families,  
groups and  
schools.

# Let's Get Together

**Let's Get Together** programs are pre-arranged group outings for 20 or more guests. Our Unfield Trips and Group Visits inspire curiosity for everyone in your group.

## Group Visits

Group rates are available for community groups, clubs, churches, and other groups of 20 people or more coming to visit the Amazeum together. Make your reservation at least 2 weeks in advance for discounts and to coordinate your outing.

Start the reservation process by submitting an interest form at [amazeum.org/visit/group-visits](https://amazeum.org/visit/group-visits).

**Advanced registration required.**

## School Unfield Trips

The Scott Family Amazeum adds a twist to the traditional school visit: the Unfield Trip!

*"The greatest impact of the hands-on Unfield Trip was an opportunity to explore together in a risk free environment. My students grew in their science understanding, vocabulary, and confidence to wonder and explore"*

— **Elementary school teacher**

Students and educators take a deep dive into curiosity, discovery, and creativity through hands-on learning immersed in exploration and inquiry.

Make your visit even sweeter by adding a private Hershey's Lab experience. Enhance the discovery process by adding a private Tinkering Workshop experience. Ask about these programs when booking your Unfield Trip visit.

Now accepting reservations for September-December 2022 Unfield Trips. Reservations open in October 2022 for January-May 2023 Unfield Trips.

Go to [amazeum.org/educators/unfield-trips](https://amazeum.org/educators/unfield-trips) for pricing, additional details, educational resources, and to submit an interest form to begin the reservation process.

**Advanced registration required.**

Scott Family Amazeum Unfield Trips are made possible by a grant from the Walmart Foundation.

# Hang Out With Us

**Hang Out With Us** workshops provide an enhanced Amazeum experience for families, Scouts, 4-H members, and homeschoolers.

## 4-H Programs

The Amazeum now offers private workshops designed for the 4-H community! 4-H members now have an amazing opportunity to expand their horizons and learn new skills with the Amazeum by engaging in science, technology, engineering, arts, and math (STEAM) related activities.

*Advanced registration and payment required.*

## 4-H Zingo

You've heard of bingo, but ZINGO has an Amazeum Twist! A Zingo card is filled with fun, community-based challenges for you to complete with your club virtually, in the community, and at the Amazeum.

Available online at [amazeum.org](https://amazeum.org).

## Little Tinkerers

Little Tinkerers are family workshops that invite adults and children to be innovative thinkers and problem-solvers as they work together creating, building, and trying new things. Creativity flows as you and your early learner (ages 3 - 6) explore tools and tinker with materials. A new theme is explored each month. Little Tinkerers workshops occur on the 2<sup>nd</sup> Saturday of each month.

*Advanced registration and payment required.*

## Partners In Play

Join us for weekly drop-in play-dates in Studio Grow (sponsored by Pampers) for early learners and their caregivers. Partners in Play explore STEAM (science, technology, engineering, arts, and math) at various developmental levels for ages 0-6. Partners in Play is a play experience that allows for young children and their adult play partner to engage their natural curiosity, build on skills they already have, and take on new challenges.

Partners in Play programming is included in daily admission and membership. No registration is necessary to participate.

## Scouts

Cub and Girl Scouts have an amazing opportunity to expand their horizons and learn new skills in an interactive environment. Workshops, events, and self-guided visits will engage Scouts in science, technology, engineering, art, and math (STEAM) related activities designed specifically for Cub and Girl Scouts. New safety requirements are in place to provide a safe and healthy learning experience.

### Workshops

On-site workshops are available for Girl Scouts at Daisy through Ambassador level and Cub Scouts at Lions through Webelos level. See [amazeum.org](https://amazeum.org) for workshop details.

*Advanced registration and payment required.*

### Event

Amazeum Fun Patch Night for Girl Scouts:  
Spring 2023

*Advanced registration and payment required.*

### Self-Guided

Daisy Girl Scouts and Tiger Cub Scouts can now explore the Amazeum using the Self-Guided Program to earn a petal or loop. Available online at [amazeum.org](https://amazeum.org).

Unleash  
your curiosity  
and explore  
new skills.

## Scouts Cont.

### Zingo

A Zingo card is filled with fun, community-based challenges for you to complete with your troop/pack virtually, in the community and at the Amazeum. Available online at [amazeum.org](https://amazeum.org).

### Choose Your Own Badge or Adventure

Girl Scout and Cub Scout leaders can now schedule private Badge or Adventure workshops for their entire troop or pack! Check out [amazeum.org](https://amazeum.org) for a menu of STEAM based workshops and reservation details.

## Make It Yourself: Pre-Teen Series

The Maker movement empowers the next generation of inventors...YOU! Make It Yourself: Pre-Teen Series gives pre-teens and teens the tools to learn new skills, explore their creative ideas and discover new passions. Pre-teens will engage in a variety of hands-on projects that explore both traditional and high-tech tools, materials and technologies. You will progressively develop new skills each week as you Make It Yourself!

*Advanced registration and payment required.*

## Homeschool Days

Homeschool Days are the perfect addition to any homeschool curriculum! In-person Homeschool Days are your chance to explore the Amazeum with other homeschool families, whether as a pre-reserved Unfield Trip or as a family visit. Check [amazeum.org](https://amazeum.org) for dates and themes of Homeschool Days.

## Community Programs

Look for Amazeum experiences through your local public library! The Amazeum is spreading out into the community to give families the opportunity to unleash their curiosity and make new discoveries.

## Public Librarian Professional Development Workshops

Join a *Storybook STEAM* workshop to discover simple yet powerful ways to infuse STEAM (Science, Technology, Engineering, Art and Mathematics) into your programs. You will explore storybook inspired STEAM activities first hand while building your confidence and capacity to provide engaging, hands-on STEAM explorations for your patrons. Participants will receive activity guides, resources and facilitation strategies that will take your story times to a new level.

*Advanced registration and payment required.*

For more information and registration, visit [amazeum.org](https://amazeum.org).

# Dive Deeper

*Dive Deeper* learning opportunities are just that — deeper dives into learning using the Amazeum as a platform. These programs include workshops and camps for children and professionals.

## Mini Camps

Mini Camps are a shorter version of Amazeum week-long camps but with the same level of fun and adventure! Mini Camps are designed to engage curious, active kids to investigate, question, and create during their school breaks! Explore a new theme during each Mini Camp.

# Ignite the curious child in you.

## **Professional Development Workshops**

The Amazeum is proud to be an AR Department of Education approved content provider for teacher professional development opportunities. Join the Amazeum Educator Night Out twice a year, monthly Maker Meetups, and hands-on pedagogy workshops throughout the year. Ask about private workshops and the Making Spaces program. The Amazeum is the place to hone and expand your teaching practice! Full listing of professional development opportunities and registration details are available at [amazeum.org](https://amazeum.org).

**Educator Night Out**  
October 20, 2022 & January 26, 2023

## **Early Childhood Education Professional Development Workshops**

We believe educators need to play too, so the Amazeum provides workshops for professionals in early childhood education. Through hands-on experiences, early childhood education professionals will be inspired to implement child-driven, play-focused learning opportunities that allow children to become effective learners. PDR Credit available. Full listing of professional development opportunities available at [amazeum.org](https://amazeum.org).

*Advanced registration and  
payment required.*

# While You Are Here

Amazeum team members are here to  
*enhance your museum experience*  
*by facilitating imaginative play!*

Be on the look-out for a team member using *Zinglit props* to spark curiosity and questioning that will ignite learning.

*Pop-Ups* are miniature, ever-changing activities used to playfully engage guests in exploring scientific concepts.

Check the screen in the lobby for a schedule of the experiences happening while you are here!

## Studio Grow

Studio Grow, sponsored by Pampers, is designed especially for early learners ages six years old and younger and their families. Experiences in Studio Grow embrace children's natural curiosity and develop an interest in Science, Technology, Engineering, Art and Math (STEAM). Everyday play experiences and early learner programs in Studio Grow encourage children and their adult caregivers to play, learn, and grow together. Studio Grow is open during regular operating hours.

*\*No advanced registration required.*  
*Included in membership or paid daily admission.*

## Community Spotlights

Community Spotlights shine a light on the diverse talents, cultures, and crafts in our community. In turn, these featured tinkerers, artists, and scientists expand and amplify a variety of topics by sharing their expertise with guests.

We're  
your hub for  
fun, creativity  
and discovery.

## Public Programs

The Amazeum frequently offers Public Programs throughout the year to add an extra special zing to your Amazeum experience! Come join the fun of Zing in the New Year, Engineering Week, and so much more.

Check our calendar of events at [amazeum.org](https://amazeum.org) for upcoming Community Spotlights and Public Programs each month.

## Sensory-Friendly Days & Resources

The Amazeum welcomes and celebrates each individual as an essential part of our community.

The Amazeum now offers **sensory friendly resources** for people with special needs. A social narrative, visual schedule, and more are available at [amazeum.org](https://amazeum.org). Noise canceling headphones, fidgets, and other resources are available for check out through Guest Services.
