Q: Do you offer any programs for parents/caregivers?

A: Parents and caregivers are included in all of our Early Learner programming and our Early Learner Educators are ready to connect with you and share about our activities and how you can support your child's play and development. The Amazeum is also partnering with our community to host a variety of events for parents and caregivers focusing on play and hands-on learning for you and your children. Ask your local programs about having us!

Q: How do I sign up for an early learner program?

A: You can sign up for each series [online](#) through the Amazeum website. In the 'Programs' menu, select 'Early Learners' to find your program of interest. All programs require advanced registration and payment except Partners in Play. Partners in Play is included in the daily admission.

A: Yes, the Amazeum will send you an email confirming your online registration. Please check your spam folder and inbox for the email confirmation.

Q: How do you recommend children dress for early learner programs?

A: Dress for fun, active and potentially messy play. Closed toed shoes are recommended and smocks are available if needed.

Q: Who are the educators of the early learner programs?

A: The Amazeum education team consists of highly qualified and trained Early Learner Educators. These Early Learner Educators work closely with our Early Learning Initiatives Manager to design and facilitate experiences that are engaging, unique, developmentally appropriate, and fun for all children ages 0-6. An Amazeum education team member will be actively present at all times during the series.
