Q: Will face coverings be required for Girl Scout workshops?

A: Amazeum is updating our COVID protocols to reflect the most recent CDC updates. We will be closely monitoring the CDC's new [Community Level Tool](#) to aid in determining our face covering policy for programs. When Benton and Washington counties are in the green zones, no face coverings are required. Masks will be required if the status of Benton and Washington counties changes to red. Our top priority is always the safety and health of the scouts and the Amazeum team.

Current Status: Green Zone for Benton and Washington Counties – Face coverings are optional for campers. If you are experiencing symptoms, test positive or been exposed to someone with COVID-19, please don't attend the program.
