

NWA STEM Summer Institute

The NWA STEM Summer Institute is a two-day, immersive experience for schools interested in the AR Model STEM Designation Program. The Amazeum and NWAESC are excited to offer this hands-on learning intensive.

- Explore STEM integration approaches through personal, hands-on experiences designed to give both practical and pedagogical insights
- Introduction to the AR Model STEM program and application process
- Develop a STEM-focused mission and vision along with a comprehensive strategic plan
- Roundtable discussions focused on STEM integration with literacy, assessment, DEAI (diversity, equity, accessibility, inclusion)
- Sustained year-long support from the AR Model STEM team
- Exclusive access to Amazeum's creative learning environments
- Take home materials and resources
- 12 hours of ADE professional development credits
- Light breakfast, lunch and snacks will be provided each day

Advance payment and registration required. **Click here to complete the form** in order to begin the registration process. An Amazeum representative will contact you to finish the registration process upon receipt of completed form.
