

## Cub Scout Adventure Workshops and Event Frequently Asked Questions

**Q: What is the schedule for Cub Scout workshops during the 2020/2021 school year?**

**A:** Due to the COVID-19 pandemic, we are providing multiple options for Scout workshops this fall: virtual and in person at the Amazeum. In November, we will make a decision about the format for workshops in Spring 2021.

- **Virtual:** Scouts will engage in a variety of unique, hands-on STEAM challenges and experiences from their homes. Materials for activities will be provided in kits. Kits can be picked up a week in advance. During the workshop, an Amazeum educator will lead the Scouts through activities via Zoom. Zoom links and kit pick up details will be sent to registered participants a few days prior to the workshop.
- **In Person:** Workshops will have a reduced capacity of 10 Scouts and up to 4 leaders per workshop. Educators, Scouts and leaders will be required to wear face coverings during the workshop. Scouts will be given a kit which will include all supplies needed to complete their discoveries – no sharing required! After the program, Amazeum educators will clean and sanitize the kits.

Pack Leaders: to register your pack for this Adventure workshop, contact the Amazeum reservation specialist at 479-268-4542 or [reservations@amazeum.org](mailto:reservations@amazeum.org). Advanced registration and payment required.

**Q: Will face coverings be required for scout workshops?**

**A:** Yes! Due to the longer duration and workshop setting, face coverings are required for all participants over the age of 2. Amazeum educators are also required to wear face coverings. Face coverings should be worn at all times covering the nose and mouth.

**Q: Will there be any health screenings i.e. temperature checks, pre-entrance questionnaires, etc.?**

**A:** The Amazeum will not be checking the temperature of Scouts and adults entering the museum. When registering for the workshop, all guests will be asked to confirm that no one in their group is experiencing COVID-19 symptoms – fever, cough, difficulty breathing, sore throat or loss of taste or smell or have knowingly been exposed to someone with COVID-19 in the past 14 days. Scouts and leaders will be prompted again upon arrival to the Amazeum and anyone experiencing symptoms will be asked to return on another day.

Scout leaders and adults will be asked to provide contact information for at least one person in their group. This information will be used to follow-up with guests should the need arise for contract tracing.

**Q: What if I don't have a face covering or mask?**

**A:** Guests without face coverings who wish to enter the Amazeum will be provided with a disposable mask at no cost. Entry to the museum and workshop is prohibited without a face covering.

**Q: Will capacity be limited during the workshop?**

**A:** Yes! In order to encourage physical distancing, capacity of Scout workshops is limited to 10 Scouts and up to 4 leader/co-leaders.

**Q: What other health requirements are in place during a workshop?**

**A:** We've minimized hands-on components in the Scout workshops but maximized minds-on discoveries. Individualized activity kits will be available during the workshop. Scouts will be given a kit to explore during the workshop which will include all supplies needed to complete their discoveries – no sharing required! After the program, Amazeum educators will clean and sanitize the kit.

As Scouts and leaders enter and exit the workshop area, they will be asked to wash their hands. Hand sanitizer stations are placed throughout the workshop area for easy access. Frequent handwashing is encouraged of all Scouts, leaders, and the Amazeum team.

**Q: What is the fee for a Scout workshop?**

**A:** In person and virtual workshops are \$15 per Scout. The den leader and co-leader attend the workshop at no cost and are expected to serve as active chaperones during the workshop experience. For Lion and Tiger workshops, one adult leader per Lion/Tiger Scout is free.

**Q: I'm not a den leader but I want to sign up my child for a workshop. Can I register my child separately from a den?**

**A:** Due to the collaborative experience of the workshop, the den leader should register the den. Individual Scouts interested in attending the workshop should contact their den leader.

**Q: How do I register for a workshop?**

**A:** Den leaders should register the Scouts in their den for the workshops. The workshops are designed to be a collaborative experience for dens rather than individual Scouts.
