

Discover: PreK Unfield Trip

Join the Amazeum for an Unfield Trip!

Your Discover Unfield Trip starts here! Watch this [orientation video](#) for tips on how to utilize Discover with your students.

Exhibit Dive: Art Studio

Start your Virtual Unfield Trip by watching this video about the glass wall painting area in [Art Studio](#), [Estudio de Arte](#), at the Scott Family Amazeum.

Discuss and/or write down:

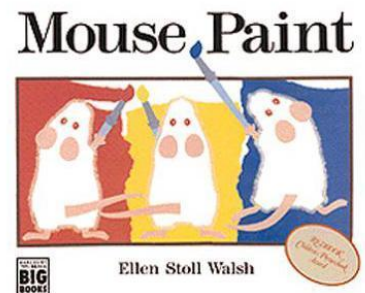

What did you notice?

What do you wonder?

Have you seen anything like this before?

Literacy Connection

After watching the exhibit video, read *Mouse Paint* by Ellen Stoll Walsh.

Discuss and/or write down:

How many times did the mice change colors?

What colors mix together to make new colors?

What color did the mice turn first?

Discover: PreK Unfield Trip

Activity Exploration

Watch this [Color Mixing activity video](#), [Mezcalndo Colores video de actividad](#), then check out the [Color Mixing activity guide](#), [Mezclando Colores guía de actividades](#) and do the activity together!

Discuss and/or write down:

What tools did you use to investigate?

What did you notice about the colors?

How do you use a pipette or dropper?

Did any of your colors change when you added a new color?

Take pictures and videos of your process to share! You can send them to mgarcia@amazeum.org

ECE Standards Addressed

- **2.10:** Explores and manipulates art media.
- **3.22:** Makes comparisons (scientific process: comparing).
- **3.23:** Shows awareness of cause-effect relationships.
